

National Conference of Regulatory Attorneys

MCLE
Financial Hardship Application

The Illinois Commerce Commission on behalf of the National Conference of Regulatory Attorneys (NCRA) is an Illinois MCLE provider offering a conference with programming for continuing legal education credit. We will grant full or partial registration fee waivers based upon a demonstration of financial hardship. For registrants required to pay the full \$500 fee, attorneys who qualify for assistance will receive at least a 50% reduction in the course fee.

Waivers are decided on a case-by-case basis by the 2018 NCRA President.

*To apply for a waiver, please provide the information requested below and submit the form no later than **14 days prior** to the conference. Please send the request form to:*
